

Information and conditions on the Deutschlandstipendium

The Alumni Network of the University of Bonn undertakes to

use the donation exclusively within the framework of the Deutschlandstipendium in accordance with the Law on the Establishment of a National Scholarship Program (StipG) and the Ordinance on the Implementation of the Scholarship Program Law (StipV) and to comply as far as possible with the wishes of the scholarship provider in compliance with the statutory regulations.

The recipient of the donation is the University of Bonn. The administrative management of the Germany Scholarship Program with the associated scholarship award is carried out by the Bonner Universitätsstiftung (Bonn University Foundation). The Bonner Universitätsstiftung accepts applications and assesses these for compliance with formal requirements. All applications are then sent to the applicants' faculties for appraisal and evaluation.

The faculties assess the applications received and make recommendations to the selection committee, which consists of committee members of the Bonner Universitätsstiftung. After another assessment, the selection committee presents candidates to the chairman of the board, who then finally confirms the award of the scholarships.

The Bonner Universitätsstiftung Bonn also assumes the following functions:

- a) to select, in accordance with the applicable rules, students whose careers to date lead one to expect outstanding professional or academic achievements,
- b) to pay the scholarships in monthly installments, to review the progress of the scholarship holders annually and to subject them to a regular evaluation in accordance with the applicable regulations of the Germany scholarship,
- c) to issue donation receipts for the donated amounts every calendar year,
- d) to establish personal contact with the scholarship holders. The prerequisite is their consent, which we obtain by means of a corresponding declaration.

The donor undertakes to transfer the amount shown overleaf.

Early termination of studies

In the event that a scholarship holder terminates his/her studies prematurely, the donor agrees that the amounts paid by him/her, after consultation and in accordance with the selection process, may be awarded as scholarships to other students of the Rheinische Friedrich-Wilhelms-Universität Bonn. The donor is aware that the Rheinische Friedrich-Wilhelms-Universität Bonn is obliged to continue to pay the scholarship until the end of the semester if scholarship holders change their place of study during the period of approval in accordance with Section 6 (3) in conjunction with Section 8 Sentence 2 of the Law on the Establishment of a National Scholarship Program (StipG). The donor agrees to this.
